Re: Legal Documents / Case Number 11 Cr 623 (JG)

October 4, 2013

Dear Judge Gleeson

On January 8, I was sentenced to 15 year imprisonment, by your honour. Since that time and now, I have requested multiple times from my attorney and you to produce me with Sentence Hearing Minutes, as well as Docket Sheet, 3 Grand Jury Transcripts, Criminal Complain and page 288, 289, 290, all being part of my discovery.

That being said, also intentionally, the discovery had been held away from me until 3 days before I plead guilty. I'm by law entitled to my discovery. Refusal of these documents is in fact, denying me adequate, comprehen-

sive and effective access to the courts.

At this time, I'm requesting the parts of discovery mention above, accompanied by all appropriate signatures.

This is a final request and denial of this will be followed by a law suit.

Thank you for your time and consideration in this matter. I will be patiently awaiting your timely response to my concerns.

Sincerely

Agron Hasbajrami
